Dear Partner University

**Suspension of Entrance Examinations for Recommended Students
from an International Academic Exchange Partner University
at Hiroshima City University Graduate School of Information Sciences**

Greetings from Hiroshima City University.

We regret to inform you that Entrance Examinations for Recommended Students from an International Academic Exchange Partner University at Hiroshima City University Graduate School of Information Sciences suspend from April 2023 Admission as follows;

Suspended Entrance Exams:

1. Graduate School of Information Science Master's Degree Program for Institution with International Academic Exchange Agreement Recommendation-Based Examination
2. Graduate School of Information Science Doctoral Degree Program for Institution with International Academic Exchange Agreement Recommendation-Based Examination

We look forward to your applications for Recommended Entrance Examination (October Admission) or Double Master Degree Program from now on.

Thank you so much for your interest in Hiroshima City University and for your understanding. Please feel free to contact us if you have any questions on this matter.

Sincerely,

Dean of Graduate School of Information Sciences
Hiroshima City University
